Personal Support

Mentoring Program

As part of TUM Mentoring, experienced TUM alumni act as mentors, share their experiences with you and help you make goal-oriented decisions – both professionally and privately. You can choose between four formats, depending on the question and the amount of time you need.

In the context of TUM Mentoring Classic for example, students and doctoral candidates are accompanied by alumni for a year, while within the framework of TUM Mentoring JobTalk specific questions can be clarified in a straightforward and timely manner during a one-time conversation. A registration for TUM Mentoring is possible at any time.

All mentoring formats and further information can be found here:

Job Hunting

Jobportal

The TUM Job and Internship Portal contains hundreds of vacancies in Germany and abroad.

Employers publishing on this platform are especially interested in recruiting TUM students, graduates and alumni.

TUM Job and Internship Portal:
